

June 2009

14th Annual Wm. Beatty Golf Tournament

To All OIFPA Members, Friends and Guests ...

It is that time of year again when plans are well underway for the **OIFPA's annual golf tournament**.

Each year you have helped in making this event a success by raising funds for our scholarship to assist with the education of two students in the **Fire Science Technology program at Lambton College in Sarnia**, which Wm. Beatty, Fire Marshal of ESSO was instrumental in developing for the future of the fire industry.

It is because of you and this program that students are graduating and entering both the municipal and industrial fire sectors with much more knowledge than ever before.

Our **14th Annual Wm. Beatty Golf Tournament** will be held as follows:

Where: **Greens at Renton (Simcoe, ON)**

When: **Thursday, September 24th**

Fees: **\$150.00 plus GST per golfer.**

Registration form attached.

If you are not a golfer and wish to assist in another capacity with your name visible to all attending - no problem - you can help out by -

- Sponsoring a hole for \$115.00;
- Sponsoring lunch for all to enjoy;
- Sponsoring the putting contest; or
- Donation(s) to our prize table.

One way or another, get involved as we all have a great time at this event.

Contact the office at 905-527-0700 or email oifpa@interlynx.net

Hope to see you there,

Doug Scale
